

JOSIAH | ISLAS

IT SUPPORT / DESKTOP SUPPORT SPECIALIST

(563) 232-2362 | Josiahrdly@gmail.com | Henderson, NV

PROFESSIONAL SUMMARY

IT/Web Development student completing an A.A.S. in IT, with hands-on experience troubleshooting hardware, supporting receiving & inventory management systems, and maintaining data accuracy across fast-paced operational environments. Brings 10+ years of frontline problem-solving and technical skills from warehouse operations, seeking an entry-level IT Support role.

TECHNICAL SKILLS

Operating Systems: Windows OS, hardware upgrades & repairs, system diagnostics

Networking: IP addressing, TCP/IP, DNS, basic network configuration

Programming: PHP, MySQL, Python, C#

Web / Scripting: HTML, CSS, SCSS, JavaScript, DOM manipulation, AJAX, jQuery, Responsive Design

Tools: VS Code, Git & GitHub, Scribus, Adobe (Dreamweaver, InDesign, Illustrator, Photoshop), Microsoft 365

WORK EXPERIENCE

Warehouse Selector/Receiver – Performance Food Group, Rock Island, IL

Jan 2022 – June 2026

- Progressed from Selector to Reach Truck to Receiver over time, taking on increased responsibility within the receiving department.
- Received incoming product shipments, verifying count accuracy and documenting discrepancies for management and trucking companies to maintain accountability across the supply chain
- Operated a reach truck to put away incoming product, ensuring accurate placement within the warehouse management system (Food-Star WMS).
- Selected and picked customer orders with high accuracy prior to transitioning into receiving and put-away responsibilities.
- Applied FIFO practices and troubleshooted inventory discrepancies to maintain accurate stock records and product quality

Kit Technician – Hodge, Davenport, IA

Oct 2021 – Jan 2022

- Built and verified accurate outbound orders for an external client (John Deere)
- Sustained high productivity and accuracy in a fast-paced warehouse environment.

Material Handler – Ulta Beauty Distribution Center, Fresno, CA

May 2021 – Oct 2021

- Used an RF scanner system to accurately select and route products

E-Commerce Associate – Pressed Juicery, Dinuba, CA

May 2018 – Jan 2020

- Processed and sorted online orders using ShipStation and Shopify
- Managed replenishment for 74 retail locations
